The first Conference of the Italian Society of Statistical Physics, i.e. the XXV National Conference on Statistical Physics and Complex Systems, will be held from June 23rd to June 25th 2021. The Conference will be held on an online platform, due to the COVID19 pandemic, and will be dedicated to the main topics of interest in Statistical Physics. On **June 24th**, during the afternoon session, the **Assembly of Members of the Italian Society for Statistical Physics (SIFS)** will take place.

There is no registration fee, but for organization purposes we kindly ask you to send the registration form, shown on the conference website, by **21st June 2021**. Anyone interested in submitting an oral/poster contribution can report it in the second part of the registration form, by **31st May 2021**. The Conference will be broadcast on the **SIFS Youtube channel**.
