The XXIV National Conference on Statistical Physics and Complex Systems will be held from June 24th to June 26th 2019 at the Conference Center - Aule delle Scienze Building in the University Campus of Parma. The Conference will be organized in collaboration with the Department of Physics and Astronomy of the University of Florence, the IMT School for Advanced Studies Lucca and the Italian National Institute for Nuclear Physics (INFN), and will be dedicated to the main topics of interest in Statistical Physics.

On **June 25th**, during the afternoon session, the **first Assembly of Members of the Italian Society for Statistical Physics (SIFS)** will take place.

There is no registration fee, but for organization purposes we kindly ask you to send as soon as possible an e-mail to stat@fis.unipr.it with the registration form, shown on the conference website.
