The second Conference of the Italian Society of Statistical Physics, i.e. the XXVI National Conference on Statistical Physics and Complex Systems, will be held from June 20th to June 22nd 2022. The Conference will be held on an on site in Parma, at Room 16 - Nuovo Polo Didattico, and will be dedicated to the main topics of interest in Statistical Physics. On **June 21th**, during the afternoon session, the **Assembly of Members of the Italian Society for Statistical Physics (SIFS)** will take place.

There is no registration fee, but for organization purposes we kindly ask you to send the registration form, shown on the conference website, by **18th June 2022**. Anyone interested in submitting an oral/poster contribution can report it in the second part of the registration form, by **30th May 2022**.
