The third Conference of the Italian Society of Statistical Physics, i.e. the XXVII National Conference on Statistical Physics and Complex Systems, will be held from June 21st to June 23rd 2023. The Conference will be held on an on site in Parma, at Aula Magna - Palazzo Centrale, Via Università 12, and will be dedicated to the main topics of interest in Statistical Physics. A special session will be dedicated to Riccardo Zecchina on June 22nd. On **June 21st**, during the afternoon session, the **Assembly of Members of the Italian Society for Statistical Physics (SIFS)** will take place.

There is no registration fee, but for organization purposes we kindly ask you to send the registration form, shown on the conference website, by **15th June 2023**. Anyone interested in submitting an oral/poster contribution can report it in the second part of the registration form, by **25th May 2022**.
