The fourth Conference of the Italian Society of Statistical Physics, i.e. the XXVIII National Conference on Statistical Physics and Complex Systems, will be held from June 24th to June 26th 2024. The Conference will be held on an on site in Parma, at the Aula Magna - Palazzo Centrale, Via Università 12, and will be dedicated to the main topics of interest in Statistical Physics. A special session will be dedicated to Stefano Ruffo on June 25th. On **June 24th**, during the afternoon session, the **Assembly of Members of the Italian Society for Statistical Physics (SIFS)** will take place.

There is no registration fee, but for organization purposes we kindly ask you to fill the registration form, shown on the conference website, by **17th June 2024**. Anyone interested in submitting an oral/poster contribution can report it in the second part of the registration form, by **20th May 2024**.
